CONTEMPORARY BAYSIDE LIVING

Feel the tropical sea breeze as it wafts through these sleek new bayside residences just minutes from Phuket's most celebrated and most magical beach, on the island's stunning central west coast.

A collection of spacious contemporary condominiums and breathtaking penthouses with rooftop pools, linked by picturesque canals and footbridges, Laguna Beach Residences Bayside is the latest exciting concept in island living by the Banyan Group at the legendary Laguna Phuket integrated resort - in one of its most prime locations by the beach.

STEPS FROM PHUKET'S BEST BEACH

These sophisticated new residences are discreetly hidden behind Laguna Phuket's first ever hotel, just steps away from the sought-after Bang Tao Beach and its idyllic sunsets. As such they occupy one of the most desirable sites not just in the world-famous Laguna Phuket but on the whole of the island.

The turquoise waters and pristine white sands of one of the world's best beaches are just steps away, and you're only a 30-minute drive from Phuket international airport. Situated within the multi-award winning Laguna Phuket, you'll be surrounded by some of the island's best restaurants and spas and Laguna Golf Phuket which has been named "Thailand's Best Golf Course".

FEEL THE TROPICAL SEA BREEZE

These stunning new low-rise one, two and three-bedroom condominiums and penthouses with their own private rooftop pools are located in two adjacent blocks separated by a picturesque canal and connected by footbridges. Light, contemporary interiors in a gentle colour palette feature accents of turquoise that mirror the shimmering lake and azure sea.

Each unit has a private terrace, enriching the architecture and seamlessly blending with the natural surroundings. The terraces and surroundings have been designed in undulating forms that mimic the shape of a canyon, giving the feeling of living in a mysterious lost world in the jungle – yet just minutes from the beach. Residents get to enjoy a large freeform swimming pool with a central pool bar that loops around the condominiums and can be accessed directly from them.
